Utility Room

Villamartin Hills is a brand new development of luxury villas located in Villamartin itself. Consisting of six villas each with it's own private 3x5m pool and solarium sat on South facing plots ranging between 200-245m2. These beautiful villas are finished to the highest of standards and are available in two different models: 3 bed 2 bath without under build or 3 bed 3 bath including under build. The properties have been designed with great care, including a large dining area which joins onto the stunning American style kitchen. The bathrooms are completed with heated floors and there is pre installed air conditioning included in the price. As you make your way upstairs you are greeted by a huge solarium with views of the surrounding areas, perfect for those long summer days. This amazing development is located close to all amenities such as supermarkets, restaurants, schools, three golf courses and some of the best beaches in Orihuela Costa.
