The property is located on the raised ground floor accessed via a grand marbled entrance way suitable for wheel chair users. The apartment has a long corridor entrance leading to a spacious lounge/diner with large picture window. The separate kitchen is fully fitted, the white goods are as new and there is also a utility room. Both bedrooms are doubles and the master boasts en-suite facilities and to finish the accommodation a large family bathroom. Included with the apartment is an underground parking space and a private solarium offering amazing countryside views and a built in BBQ.

This superb apartment is large enough for full time living but would also make a fabulous holiday home. It is on offer as seen including all the high quality furniture and the owner is looking for a quick sale hence the bargain asking price.
