Very well maintained 2 bedroom, 1 bathroom penthouse with a big terrace around the apartment on 5th floor with sea view. This beautiful apartment is based only 3 min walk to the beach and in the middle of the bustling centre of Guardamar. It is a great holiday home but also very suitable to live throughout the year with everything within reach, beach, bars, restaurants and supermarkets. The terrace is very large and you can put large furniture on it as you can see in the photo's. Above the lounge set is a big awning which covers one part of the terrace, about 7 x5 meters long to enjoy the outside life of Spain, this is the part that you will use the most. This is a must seen apartment, don't wait that long and book your viewing with us. Guardamar del Segura is a village on the coast of the Costa Blanca South in Alicante. With 11 kilometers of natural blue flags beaches and large areas of pine trees this creates a unique town with microclimate with very good all year round temperatures. And only 30 minutes to the Alicante airport. Guardamar also has good gastronomia, beautiful parks , marine and lots more other activities.
